Tabletop Charging Dock:
With the dock plugged in, simply plug your Nintendo DS Lite into the dock to begin charging.

DC Car Charger:
Plug the Car Charger into your car's power outlet and plug the cable into your Nintendo DS Lite.

Earbuds:
Plug the Earbud's cable into your Nintendo DS Lite headphone connector.

Protective Case:
Place the Nintendo DS Lite in the Protective Case for storage and protection.

Precision Stylus:
Lightly touch or slide the stylus across the touch screen. Replace the stylus in stylus holder when not in use.

Screen Protectors:
Peel the backing off the Screen Protector, line it up with your Nintendo DS Lite screen and press gently.

Protective Game Cases:
Place your games into the case & snap shut for storage & protection.

Carry All Tote Bag:
Place your Nintendo DS Lite inside the Tote Bag & pull the draw string to close.

Mini Screen Cleaners:
Gently wipe off the screen to loosen any dirt or foreign material.

Wrist Lanyard:
Attach the wrist Lanyard to the wrist strap attachment on your Nintendo DS Lite.
